For further information refer to the Commonwealth of Virginia State Corporation Commission website at: www.scc.virginia.gov. **See Attachment G**

V. BIDDER INVESTIGATIONS:

Before submitting a bid, each bidder must make all investigations and examinations necessary to ascertain all conditions and requirements affecting the full performance of the contract and to verify any representations made by City of Norfolk that the bidder will rely upon. No pleas of ignorance of such conditions and requirements resulting from failure to make such investigations and examinations will relieve the successful bidder from its obligation to comply in every detail with all provisions and requirements of the contract documents or will be accepted as a basis for any claim whatsoever for any monetary consideration on the part of the successful bidder.

W. INCOMPLETE DOCUMENTS:

Each bidder is responsible for having determined the accuracy and/or completeness of the solicitation documents upon which it relied in making its bid, and has an affirmative obligation to notify the City of Norfolk Purchasing Agent immediately upon discovery of an apparent or suspected inaccuracy, error in, or omission of any pages, drawings, sections, or addenda whose omission from the documents was apparent from a reference or page numbering or other indication in the solicitation documents.

If the successful bidder proceeds with any activity that may be affected by an inaccuracy, error in, or omission in the solicitation documents of which it is aware but has not notified the City Purchasing Agent, the bidder hereby agrees to perform any activity described in the missing or incomplete documents at bidder's sole expense and at no additional cost to City.

X. QUALIFICATION OF BIDDERS:

Failure to qualify according to the foregoing requirements will result in bid rejection by the City.

Y. ALTERNATE BID:

Bidders who have other items they wish to offer in lieu of, or in addition to, what is required by this solicitation shall submit a separate bid clearly marked "ALTERNATE BID". Alternate bids will be automatically deemed nonresponsive and will not be considered for award. Such bids will, however, be examined prior to awarding the contract contemplated herein and may result in either cancellation of all bids in order to permit rewriting of the solicitation to include the alternate item in a rebid or the alternate item may be considered for future requirements.

Z. INFORMALITIES:

The City of Norfolk reserves the right to waive minor defects or variations from the exact requirements of the solicitation in a bid insofar as those defects or variations do not affect the price, quality, quantity, or delivery schedule of the services being procured. If insufficient information is submitted for the City to properly evaluate the bid by a bidder; the City reserves the right to require such additional information as it may deem necessary after the bid opening time and date, provided that the information requested does not change the price, quality, quantity, or delivery schedule for the services being procured.

AA. CITY OF NORFOLK BUSINESS LICENSES:

The successful bidder must comply with the provisions of Chapter 24 ("Licenses and Taxation") of the City of Norfolk Code, if applicable. For information on the provisions of that Chapter and its applicability to this Agreement, the Contractor must contact the City of Norfolk Business License Division, Office of the Commissioner of the Revenue, 810 Union Street, City Hall, First Floor, West Wing, Norfolk, Virginia 23510.

BB. BID WITHDRAWAL PRIOR TO BID OPENING:

CC. WITHDRAWAL OF BID FROM CONSIDERATION AFTER BID OPENING:

After the opening of a bid, a bidder may withdraw its bid from consideration if the price of the bid is substantially lower than other bids due solely to a mistake therein, provided the bid is submitted in good faith, the mistake is a clerical mistake as opposed to a judgment mistake, and is actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of the bid, which unintentional error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn. No partial withdrawals of bids will be permitted after the time and date set for the bid opening. The bidder must give notice in writing to the City of Norfolk Purchasing Agent of a claim of right to withdraw a bid and provide all original work papers, documents and other materials used in the preparation of the bid sought to be withdrawn, within two (2) business days after the date of bid opening. A bid may also be withdrawn if the City of Norfolk fails to award or issue a notice of intent to award the bid within ninety (90) days after the date fixed for opening bids.

DD. ESTIMATED QUANTITIES/NON-EXCLUSIVITY OF CONTRACT ACKNOWLEDGEMENT:

Bidders acknowledge that the contract that will be entered into as a result of this solicitation will not obligate the City to purchase a specific quantity of items or services during the Contract Term. Any quantities which are included in the Contract Documents are the present expectations of those who are planning for the City for the period of the Contract. The amount is only an estimate and the Bidder understands and agrees that the City is under no obligation to the Bidder to buy that amount, or any amount as a result of having provided this estimate or of having had any normal or otherwise measurable requirement in the past. Bidders further understand that the City may require goods and/or services in excess of the estimated annual contract amount and that such excess shall not give rise to any claim for compensation other than at the unit prices and/or rates set forth in the resulting Contract. Further, bidders acknowledge that the items or services covered by this contract may be available or become available under other City contract(s), and that in analyzing its needs, the City may determine that it is in its best interest to procure the items or services through such other contract(s).
